Stratton Concerns Buy Compress Site For Warehouses

Leslie M. Stratton has purchased the Merchants' Cotton Press and Storage company warehouse, on the Illinois Central railroad near the passenger station, one of the largest warehouses in the city, for about \$300,000, with the view to remodeling it into an up-to-date receiving and shipping station for Stratton-Warren Hardware company, and the Early-Stratton Wholesale Grocery company, now forming.

The warehouse occupies the entire block bounded by Florida street, Carolina and Railroad avenues and the Illinois Central railroad, with a frontage of 340 feet on Florida street and 400 on Carolina avenue. A part of the building is two stories and the total floor space is about 200,000 square feet. The building is served by 1,400 feet of switching tracks, and connects with every railroad entering the city.

It is proposed to spend about \$150,000 on improvements, which are to be completed by June 1. Jones & Furbringer are working on plans for the work, which will provide for additional stories later.

The building will provide ample space it is believed for the business of both the companies that are to occupy it, and after the improvements are completed it will give them one of the most modern and convenient wholesale plants in the South.

Will Give Jewelry To Make Cross For Bishop-Elect Morris

A number of friends of the Rev. James Craig Morris, bishop-elect for Panama, are giving gold jewelry, which will be melted and made into a cross as an official gift from the congregation of St. Mary's cathedral, where Bishop Morris served as dean for many years.

The venerable presiding bishop of the Episcopal church, Bishop Tuttle, set Thursday, Feb. 5, as the date for Bishop Morris' consecration. The ceremony will take place in Dr. Morris' church at Madison, Wis., of which he has been rector since resigning as dean of the cathedral.

The Rev. Arthur Howard Noll, canon of the cathedral, will be master of ceremonies. The consecrators will be the presiding bishop, Bishop Gallor, of Tennessee, and the Rt. Rev. Albion W. Knight, chancellor of the University of the South, at Sewanee. The presenters will be the bishop of Milwaukee and Bishop Coadjutor Troy Beatty, of Tennessee. The attending presbyters are to be the Rev. C. E. Craig and the Rev. W. H. Dubose.

Bishop-elect Morris passed through Memphis Tuesday, spending a few hours in the city. He will visit relatives and friends in Middle Tennessee, and will possibly be in Memphis next Sunday as the guest of Dean DeWalt, of the cathedral. Dr. Morris was elected bishop of the missionary district of the Panama Canal zone at the recent general convention at Detroit.

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you must figure it with drastic drugs. When your meals don't fit and you feel uncomfortable, when you belch gases, acids or raise sour, undigested food. When you feel lumps of indigestion, just eat a tablet of Pape's Diapiesin and the stomach distress is gone. Millions of people know the magic of Pape's Diapiesin as an antacid. They know that indigestion and disordered stomach are so needless. The relief comes quickly, no disappointment, and they cost so little, too.

Cooperation

and What it will do!

IT doesn't make any difference how much a few men or women may know, they will never get anywhere unless they all pull together. There are no "dead heads" in our company. We are all workers and every man and woman with Ballard is a sharing partner. We work three shifts of eight hours each, and use our heads as well as our hands. The BIG thing is we all work and there is no "monkey business" about it. That's the only way we know to make the good things we do.

IT'S the living of this principle that has brought us from nothing to the big, live organization that we are today. Look at our products, think of what's behind them, and if you haven't tried them, why get busy and do it today.

How would you like to have a bucket of paint fall for three stories and strike you on the head and knock you unconscious while you were walking down Main street?

Mrs. Rosa Langdon didn't like the experience at all, so she consulted her attorney, T. F. Kelley, and the result of the conversation was a damage suit filed in circuit court for damages in the sum of \$2,500.
